

Dhingra receives Duhamel Innovation Award

[Dr. Sanjiv Dhingra](#), Principal Investigator, Cardiac Regeneration and Tissue Engineering Laboratory, [Institute of Cardiovascular Sciences](#), received the 2019 Ronald Duhamel Innovation Fund Award on April 13 at the St. Boniface Hospital Foundation's annual Donor Appreciation Breakfast.

"When the science gets recognized, that's more motivation to work even harder," said Dr. Dhingra.

The late Ronald J. Duhamel (1938-2002) was a long-serving Senator and Member of Parliament for Winnipeg/St. Boniface. Established in 2004 by his family and friends, the Ronald

Duhamel Innovation Fund Award promotes innovation and leadership in advancing health care at St. Boniface Hospital.
