

Schwartz Brings Home National Gold!

Leah Schwartz, U of W Collegiate student in [Mike Czubryt's](#) lab, has returned from the Canada-Wide Science Fair in Fredericton where she was awarded a Gold Medal at the Senior Level in the competition. She was up against 450 of Canada's top young science minds at the national competition, earning the top award, as well as a \$4,000 entrance scholarship to one of several Canadian universities.

News of her achievement was featured in the Winnipeg Sun, <https://winnipeg.sun.com/news/news-news/winnipeg-high-school-student-strikes-science-gold>.

Congratulations again for another splendid win Leah!
