SAMUEL N. COHEN **AUDITORIUM**, AND **ATRIUM**

St-Boniface  General Hospital Research Centre

SAMUEL N. COHEN AUDITORIUM

The Samuel N. Cohen Auditorium is an attractive 200 seat, fully equipped state of the art lecture theatre - ideally suited for meetings, videoconferencing, training sessions as well as artistic performances.

Audiences enjoy the spacious theatre seating, excellent visibility and acoustics. Speakers feel confident with full control over an array of presentation equipment and the support of qualified technical staff. Producers and event coordinators will appreciate the excellent pre and post production equipment on site, including wireless mics, built-in presentation computer, stage lighting, and event recording direct to DVD with digital video editing service if required.

In short, this is an excellent space for a wide variety of activities, from an international satellite videoconference to an intimate chamber music recital.

ALL INCLUSIVE
