

# International Clinical Trials Day

Thursday, May 20, 2010

9:00 am - 12:00 pm

Samuel N. Cohen Auditorium, St. Boniface Hospital Research  
351 Taché Ave, Winnipeg, Manitoba

All are welcome to attend to learn more about Clinical Research being done here at St. Boniface Hospital Research and around the world!

St. Boniface Hospital Research will be hosting a half day of presentations on a variety of Clinical Trial and Research topics. There is no charge for this event but you are encouraged to register to guarantee your spot.
