Important Reminder

Course in Human Research Participant Protection (CHRPP)

For all researchers submitting an ethics protocol, the REB deadline to complete the tutorial is September 1, 2011. To date, 139 have completed the online tutorial. If you would like to complete the tutorial, please visit the website at <http://www.chrpp.ca/homepage/MAN/>. For further information, please feel free to contact the Research Quality Management Office.

Events

TCPS 2 Regional Workshops

On May 19th and 20th, the University of Manitoba will welcome the Interagency Advisory Panel on Research Ethics (PRE) here at both the Bannatyne and Fort Garry campuses. Four workshops will be held at each campus: Working Through Research Ethics Issues: Health Sciences, Working Through Research Ethics Issues: Social Sciences, Humanities & Engineering, TCPS 2: Research with First Nations, Inuit and Métis Peoples, and TCPS 2 for REBs: Putting it into Practice. If you are interested in attending any of these sessions, please contact the Research Quality Management Office.

Café Scientifique

On May 17th, Dr. Joe Kaufert, Professor in Community Health Sciences, will be leading a knowledge translation forum to present key findings from the five-year CIHR-funded research project, "Situating the Human Subject in Health Research; Understanding the Meaning and Experience of Research Participation." The project investigators will come from the Centre for Applied Ethics at the University of British Columbia and the Department of Community Health Sciences in the Faculty of Medicine at the University of Manitoba. For more information, please contact the Research Quality Management Office. An agenda will be posted on the Research Quality Management website.

Human Ethics Resource Committee (HERC) Updates

New website resources

Fort Garry Campus' human ethics website is continually being updated to reflect new developments in policy and process. PSREB Chair, Dr. Bruce Tefft, has designed some sample recruiting and consent material for use by PSREB applicants:

Revised Policy on The Ethics of Research Involving Humans

The University of Manitoba Policy on The Ethics of Research Involving Humans has undergone review. To reflect the Tri-Council Policy Statement Ethical Conduct for Research Involving Humans (TCPS 2), as well as the changing nature of research in general (such as use of the Internet and digital media), U of M's Policy has new and expanded sections. Please watch the Human Ethics Website for further updates.

Please feel free to contact us!

The Research Quality Management Office is located on the Bannatyne Campus in the Apotex Building, Room 053.
