

Graduate Student Opportunity

A Masters/PhD in Physiology position at the University of Manitoba is available to study breast cancer and heart disease.

Applicants should be highly motivated to be able to critically evaluate and interpret data. Excellent oral and written communication skills are essential.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Interested candidates should send a curriculum vitae and contact information of three references to:

Davinder S. Jassal
409 Taché Avenue
Winnipeg, MB
R2H 2A6

P: (204) 237-2023

F: (204) 233-2157
