

Manitoba Cardiovascular Leader Inducted into Canadian Medical Hall of Fame

St. Boniface Hospital Research is proud to celebrate [Dr. Naranjan S. Dhalla](#)'s induction into the Canadian Medical Hall of Fame, at a ceremony held in Montreal, Quebec, on May 2, 2019.

Dhalla was recognized along with five other Canadian medical heroes for their lifetime contributions and superior accomplishments as pioneers in their field. This honour caps Dhalla's 50-year career advancing knowledge, resources and international collaborations in cardiovascular sciences and education.
