After 25 years of personal donations to St. Boniface Hospital Foundation (SBHF), [Dr. Pawan Singal](#) was recognized for his steadfast contributions at the SBHF Donor Appreciation Breakfast held on April 12, 2019.

“I have always believed that everyone has the capacity to give something, even the smallest amount. Over time, it can make a significant impact in the lives of others,” he said.

Dr. Singal's personal philosophy of volunteerism and community involvement has been celebrated widely, along with several other individuals who were recognized at this event, each of whom serves as inspiring role models of philanthropic leadership.
